

REMARKS/ARGUMENTS

Favorable consideration of this application as presently amended, is respectfully requested.

By the present Preliminary Amendment a new Abstract believed to be in more proper format under United States practice is submitted.

Further, claims 5-7 are amended without prejudice to no longer recite any multiple dependencies. Further, subject matter of the canceled multiple dependencies also now set forth in new dependent claims 8-16.

The present application is believed to be in condition for a full and thorough examination on the merits. An early and favorable consideration of the present application is hereby respectfully requested.

Respectfully submitted,
